

Broadhembury Holiday Park

Wireless Internet Access

Here at Broadhembury we offer all campers access to our wireless internet Hotspot. The Costs for this are as follows:

24 Hours	- £2.50 Inc VAT
48 Hours	- £4.00 Inc VAT
1 Week	- £10.00 Inc VAT

Please note that due to the nature of WiFi technology the signal strength has a tendency to vary depending on weather conditions, time of year and other uncontrollable circumstances. Please check the quality of the WiFi signal at your location before purchasing a ticket by attempting to connect. If when trying to access the internet you see the login page shown overleaf you have a strong enough connection to use the internet.

If you require a WiFi internet connection and don't have it at your pitch there are a few benches around the reception area where you can sit and get a connection. Campers are also welcome to use our 'Campers PC' in reception for internet access at a small fee.

Also please note that all WiFi cards are NON-REFUNDABLE. Due to the remote location of Broadhembury Holiday Park there are a few short periods during the day when the connection will be temporarily unavailable. This is normal and all connections should return within the hour.

Access via WiFi to our own website as well as Visit Kent are available free of charge through the links on the login page.
